

A diagram consisting of two square boxes, one in the upper right and one in the lower left. The upper box is labeled  $O_1$  and has a vertical line extending upwards from its top edge. The lower box is labeled  $O_2$  and has a vertical line extending downwards from its bottom edge. These two vertical lines are connected by a horizontal line at the bottom of the page, which extends from the left edge to the right edge.

$O_1$

$O_2$
