

A diagram consisting of two squares,  $O_1$  and  $O_2$ . Square  $O_1$  is located in the upper right quadrant, and square  $O_2$  is located in the lower left quadrant. A vertical line segment extends from the top edge of  $O_1$  to the top edge of the page. A horizontal line segment extends from the bottom edge of  $O_2$  to the bottom edge of the page. These two line segments are connected by a vertical line segment on the right side of the page, forming a continuous path from  $O_1$  to  $O_2$ .

$O_1$

$O_2$
