

A diagram consisting of two square boxes, one labeled O_1 and one labeled O_2 . Box O_1 is located in the upper right area, and box O_2 is in the lower left area. A line connects the bottom of box O_2 to the top of box O_1 . The line starts from the bottom edge of O_2 , goes down a short distance, then right, then up, and finally right again to enter the top edge of O_1 .

O_1

O_2
