```

The diagram consists of two rectangular boxes. The first box, on the left, contains the text  $obj_1$ . A horizontal line extends from the right side of this box. This line then turns 90 degrees downward, forming a vertical segment. Finally, it turns 90 degrees to the right, forming a horizontal segment that enters the left side of the second box. The second box, on the right, contains the text  $obj_2$ .
