

A diagram consisting of two squares,  $O_1$  and  $O_2$ . Square  $O_1$  is located in the upper right quadrant, and square  $O_2$  is located in the lower left quadrant. A vertical line segment extends upwards from the top edge of  $O_1$ , and another vertical line segment extends downwards from the bottom edge of  $O_2$ . These two vertical segments are connected by a horizontal line segment at the bottom of the page, forming a continuous path from  $O_1$  down to  $O_2$ .

$O_1$

$O_2$
