

A diagram consisting of two square boxes, one labeled O_1 in the upper right and one labeled O_2 in the lower left. From the top edge of the O_1 box, a vertical line extends upwards and then turns right to connect to a horizontal line that runs along the top edge of the entire diagram. From the bottom edge of the O_2 box, a vertical line extends downwards and then turns right to connect to a horizontal line that runs along the bottom edge of the entire diagram.

O_1

O_2
